

Dear Representative Guerrero, Senator Maynard, Senator Boucher, Representative O'Dea and distinguished members of the Transportation Committee,

I'm writing in support of H.B. 6343: An act concerning the restoration of the Housatonic Railroad line.

I am writing to you, as a neighbor in Massachusetts, in support of updating and restoring passenger rail service through Northwest Connecticut, as described in Rep. Roberta Willis's proposed legislation HB 6343. This legislation is critical to the future of NWCT. Benefits will include support for all your businesses, increased tourism (it'll be easier for folks like me to come visit!), young families and entrepreneurs, and so much more.

We in MA are watching CT and urging you to move forward with these trains... so we can visit. We're doing our part here!

Thank you,
Susan Olshuff
